Dear Judge Talamantes and Foreperson Kerr,

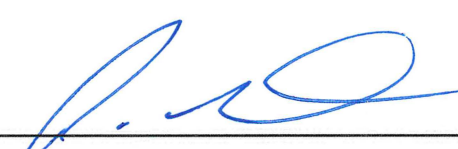

Attached please find the response requested by the 2023-2024 Marin County Civil Grand Jury from the **Marin County Office of Education and the Marin County Superintendent of Schools** to findings (F1-F5) and recommendations (R1-R7) from the **A Free Public Education Includes School Supplies** report.

Thank you for your continued interest in and support of our public schools and the health and wellness of our county's young people.

Sincerely,

Jeff Bergholt, President
Ross School Board of Trustees

David Rice,
Superintendent of Ross School District

Ross School District
Responses to the 2023-2024 Marin County Civil Grand Jury Report
A Free Public Education Includes School Supplies

Findings:

F1	Some Marin public schools do not comply with the “free public education” law because they ask students or their families to bring supplies to school.
Response	We agree with the finding.
F2	Schools may not circumvent the “free public education” law by offering families any kind of waiver or exemption option.
Response	We agree with the finding.
F3	Some Marin public schools distribute supply lists to families that indicate the family can seek a waiver or become exempt from bringing supplies in some specified way.
Response	We agree with the finding.
F4	Some Marin public schools distribute supply lists to families that are labeled “optional.”
Response	We agree with the finding.
F5	Teachers often spend their personal funds to provide supplies, materials, or equipment for students.
Response	We agree with the finding.

Responses to the 2023-2024 Marin County Civil Grand Jury Report
A Free Public Education Includes School Supplies

Recommendations:

R1	All Marin public schools should follow California's "free public education" law.
Response	The recommendation has been implemented. Ross School follows California Education Code 49011 and 56040(a) regarding the provision of a free and appropriate public education.
R2	Marin public schools should provide, at no cost to the student or their families, all the supplies, materials, and equipment necessary for students to fully participate at school.
Response	The recommendation has been implemented. Ross School District provides all required supplies, materials, and equipment at no cost to students or their families to fully participate at school.
R3	Marin public schools should not distribute school supply lists to students or their families.
Response	The recommendation has been implemented. Ross School District does not provide school supply lists to students or their families.
R4	Marin public schools should not distribute school supply lists that indicate the supplies are optional.
Response	The recommendation has been implemented. Ross School District does not distribute school supply lists indicating that the supplies are optional.
R5	The superintendent of each school district should ensure that the schools in their district are in compliance with California law with respect to school supplies.
Response	The recommendation has been implemented. The Ross School Superintendent has directed and ensured that all supplies, materials, and equipment needed to participate in educational activities within Ross School District is provided free of charge.
R6	If a Marin public school chooses to solicit donations of any kind from anyone, whether the solicitation is on paper, verbal, or electronic, such as a website or email, the school should make it clear that donations are not required but rather are entirely voluntary.
Response	The recommendation has been implemented. Ross School does not require donations of any kind and always ensures that any donations are solicited as voluntary contributions.
R7	Marin public schools should not put teachers in a position where they need to use their personal funds to provide supplies, materials, or equipment for students to fully participate at school.
Response	The recommendation has been implemented. Ross School District is committed to providing all the supplies, materials, or equipment needed by our teachers and staff.
