BUILDING, PLANNING & ENVIRONMENT COMMITTEE

BACKGROUND

The Building, Planning and Environment Committee received a holdover complaint from the previous grand jury. The complainant was concerned that the Mammoth Lakes Building Department was not consistent in issuing building permits.

FINDINGS

An interview was conducted with the head of the Building Department for the Town of Mammoth Lakes. During the interview, the procedure for obtaining a building permit was discussed in detail.

RECOMMENDATIONS

It is the view of this committee that the complaint holds no merit and that there is no evidence of wrongdoing within the Building Department of Mammoth Lakes. Proper and ongoing improvements to the "plan check" system are in place.
